**Exciting historical fiction with edge-of-your-seat adventure sure to keep you reading!**

Because the main characters mature five years, these novels are best read in sequence.

#### **#1 Raiders from the Sea**

When Briana O'Toole rescues a stranger from drowning, she doesn't realize that her actions may have put her family and neighbors in danger. Then, in one harrowing day, Viking raiders capture Bree and her brother Devin and take them away from their home in Ireland.

All of the Irish prisoners are at the mercy of Mikkell, the proud young leader of the Vikings. When he separates Bree and Devin, Bree sails to Norway on the Viking longship. Devin travels the dangerous road home. What will they discover about living with the **courage to win**? How can they change what is happening to them? Can they trust their all-powerful God, even in life-or-death situations?

*"Page-turning adventure on the high seas! Both entertaining and educational, Raiders from the Sea is a compelling read. Not to be missed!"*

—Beverly Lewis, author of the Girls Only and SummerHill Secrets series

#### **#2 Mystery of the Silver Coins**

Bree and another young prisoner make a daring escape from the Viking ship. Soon they face a physical and spiritual battle for survival on a Norwegian mountainside. What will they eat? Where can they hide? How will they find the **courage to win**? Leading the search is a prideful young Viking Mikkell who is certain that Bree stole his bag of silver coins. Can she forgive the people who changed her life? And what about Mikkell as he starts to wonder, *Is the god of these Irish Christians really more powerful than our own Viking gods?*

*"What a wonderful find! A great historical series for the entire family full of warmth, adventure, suspense, and above all, a reminder of what can happen when we put our trust in God!"*

—Bill Myers, author of the Wally McDoogle and Forbidden Doors series

### #3 The Invisible Friend

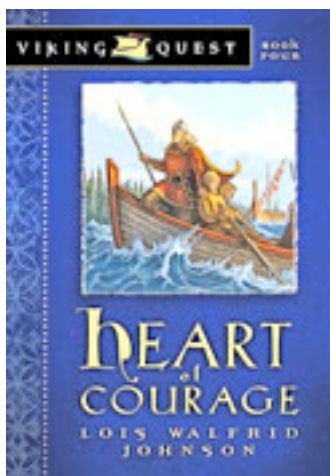

Deep in the Norwegian fjords the Viking ship comes to shore. Mikkel, the prideful young leader, is home, but Briana O'Toole faces a new, uncertain life. What will happen to her and the other Irish taken as prisoners?

Soon Bree feels sure that Mikkel is hiding a dark secret from his father. When Bree finds mysterious messages that seem meant for her, she longs to be what she is—the respected daughter of an Irish chieftain. But the cold winds of autumn sweep down the Aurland Fjord, and its people wait for the last ship out. Bree wonders, *Can my brother Devin possibly bring ransom before winter?*

In the midst of a growing threat will Bree and Devin find God's **courage to win**? Who is their invisible friend? And what does it mean to be truly free?

*"Thanks for writing books for all us readers. Please don't ever stop! I can't wait for more Viking Quest books."*

—Cambria, 14, Minnesota

### #4 Heart of Courage

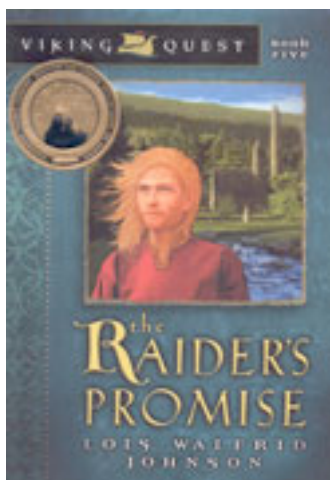

Devin and Briana O'Toole are facing the biggest adventure of their lives. In exchange for Bree's freedom, they have agreed to make one voyage on the new Viking ship *Conquest*. With Mikkel they sail from Norway, to Iceland, to Greenland, encountering the dangers of the Northern waters and an unknown enemy within the ship's crew. What will happen when Bree, Devin, and Mikkel join Leif Erikson to sail to the New World? Will the hardships be worth it in the end, or will Bree remain a slave?

Mikkel, the young captain of the *Conquest* is full of ambition. More than anything, he has always wanted wealth and fame. But he will need courage to lead his men on such a perilous journey—and to regain his lost honor. He doesn't even want to think about letting Bree go free.

Only God can give Mikkel, Bree, and Devin a **heart of courage** for the challenges that lie ahead.

*"Children love adventure—and Lois Walfrid Johnson has provided something new and exciting, as well as informational. I look forward to sharing the book with my grandchildren."*

—Janette Oke, author, *Love Comes Softly*

### #5 The Raider's Promise

During her years as a captive of Mikkel, the Viking raider, Briana O'Toole has longed to return to her family and resume her life in Ireland. Yet she has changed. Bree finds herself excited to be on Mikkel's ship *Conquest* and be part of the discovery and exploration of new lands.

Mikkel's newfound Christian faith has changed him, too. Will he really take Bree home and keep his promise to give her freedom? Mikkel has something else on his mind, too, a secret from when he first raided Ireland. Will his faith in God give him the **courage to do the right thing**?

And will Bree and Devin's knowledge of this secret put them in danger?

*"I could almost taste the salt spray as Raiders From the Sea swept me away to another place and another time. This is historical fiction at its best: gripping, well researched, spiritually solid, and with equal appeal to boys and girls. I can't wait to read the next one!"*

—Rober Elmer, author of The Young Underground and Promise of Zion series

*"I'm so glad your book will be a part of my daughter's growing-up years."*

—A-L Hunter, Indiana
